

SAVONA WOPA

Large capacity soap dispenser

The SAVONA WOPA is Kennedy's large capacity soap dispenser. This 2.5 litre dispenser is available in cartridge and direct fill versions and is suitable for all hand washing environments.

Built for service, the dispenser is robust and reliable while boasting features such as a clear inspection cover and hinged cover both to aid operator convenience. The dispenser has also been designed to function with a low dose rate to enable cost control.

SAVONA WOPA has a classic good looking design which means it suits both standard and prestigious environments. It is available with a broad range of consumables for commercial and industrial applications.

Finishes available
